OFFICE MEMORANDUM

Subject: “Just-in-Time” release of Centrally Sponsored Schemes (CSS) funds through SNA SPARSH model – uninterrupted availability of funds in 2025-26 in CSS implemented through SNA SPARSH - reg.

Attention is invited to DoE’s guidelines dated 13th July, 2023 regarding flow of funds through SNA SPARSH model. In various CSSs implemented through SNA SPARSH, the ‘Mother Sanction’ issued for 2024-25 has remained partly unutilized and hence lapsed on 31st March, 2025. For uninterrupted availability of funds for these schemes, fresh Mother Sanction for 2025-26 needs to be issued.

2. In case the fresh Mother Sanction for 2025-26 has not been issued yet, Ministries/Departments are advised to immediately issue the Mother Sanction for the scheme for 2025-26. Pending scrutiny of proposals from States, an amount equivalent to the lapsed amount of Mother Sanction of 2024-25 may be immediately issued subject to availability of budget and approval of competent authority to implement the scheme in 2025-26. Additional Mother sanction in 2025-26 may be issued in due course as per laid down procedure.

3. This issues with the approval of competent authority.
